INTAN JAYA- The Infantry Battalion Task Force (Satgas Yonif) Raider 509 Kostrad, under the **HABEMA Operations Command in Papua**, continues to demonstrate its **commitment to education** by holding a **learning session at Titik Kuat (TK) Mamba, Intan Jaya, Papua, on Friday (7/2/2025).**

The event was led by **Lieutenant Chk Irawan Suharto**, who not only taught **reading, writing, and arithmetic**, but also introduced **general knowledge through interactive and engaging methods**.

Bringing Hope and Knowledge to Papuan Children

The excitement was evident as **children eagerly participated** in the session. Their bright smiles and enthusiasm reflected their appreciation for the learning opportunity. The **warm and friendly approach** of the soldiers **created an environment of encouragement and motivation**.

As a tangible form of support for education, **Task Force Yonif 509 Kostrad also distributed stationery** to the children **a small gesture with a profound impact** on their future.

"We want to make a real contribution to the education of Papua's young generation. These children are the future of our nation, and we hope to ignite their passion for learning," said **Lieutenant Chk Irawan Suharto**.

Beyond education, this initiative serves as a **bridge to strengthen the relationship between the TNI Task Force and the local community**. Parents and residents warmly welcomed the program, appreciating the **active role of the task force in supporting education and community development**.

A Step Toward a Brighter Future

This **inspiring initiative** is expected to **motivate Papuan children to pursue their dreams**, while also reaffirming the **mission of Task Force Yonif 509 Kostrad as both protectors and pioneers of progress**.

"The initiative of Task Force Yonif 509 Kostrad to conduct this learning session at TK Mamba is a reflection of TNI's dedication to serving the community and supporting Papua's development," said **HABEMA Commander, Major General TNI Lucky Avianto**, upon receiving the activity report.

Through **small but meaningful actions**, the TNI Habema Task Force continues to instill **hope, knowledge, and a brighter future for the children of Papua**.
